- Cart needs to be at least three (3) feet from any fixed objects such as mailboxes, trees, streetlights, or parked vehicles, and with a 3 foot gap between carts.
- Place them at the end of your driveway if possible, or on the boulevard within one (1) foot of the curb.
- If carts on boulevard are blocked in by cars, you may place carts in the street with the wheels against the curb.
- Position the cart on as level of a surface as possible.
- Lids need to be closed.

Common Reasons for Missed Collection

- Cart is not placed following the above requirements.
- Cart is placed out after the designated collection time.
